Greetings Parents/Guardians/Athletes,

With the proposed construction of the new Trenton Central High School there will be many changes to our athletic department over the course of the next few years. All aspects of the TCHS athletic program expect to be affected. The Athletic Office will be located at 1490 Prospect St, Ewing, NJ 08638 this coming June 2014. The changes that will occur will be practice locations, game times, game locations, traveling schedules, and various other phases of our programs. Please know the TCHS Athletic department is currently working diligently by taking all possible options into consideration to ensure a smooth transition throughout this process. Your continued support will be critical throughout this transition.
