## WELCOME AND INTRODUCTIONS

### EAST TRENTON COLLABORATIVE PRESENTATION

Program Director of the East Trenton Collaborative, Caitlin Fair shared about the restoration of the East Trenton Library Community Center. This initiative connects to the CCYVC [Trenton Youth Safety Playbook](#) under Strategy 2.1.7: Increase number of non-structured activities.

If organizations or individuals would like to support the project, the library restoration is on the docket at the City Council meeting on Tuesday, January 19 at 5:30 PM. Any voices of support will be beneficial. ETC requires agreements from the City Council for the renovations to move forward. ETC is also open to partners that can provide vocational and job training, useful skills training and certifications, entrepreneurship training, and is looking for recreational opportunities.
