The ARP Act provides an additional \$122 billion in Elementary and Secondary School Emergency Relief (ARP ESSER) to States and school districts to help safely reopen, sustain the safe operation of schools, and address the impacts of the COVID-19 pandemic on the nation's students. To provide guidance for school districts on the allowable uses and the differences between the three ESSER funds, the NJDOE created an ESSER [Fact Sheet](#).

ARP ESSER grant applications for eligible LEAs are now available through the Electronic Web Enabled Grant (EWEG) system. The deadline to submit an application is November 24, 2021.

ARP ESSER funds are available for obligation beginning May 24, 2021; LEAs may submit applications any time before November 24 and begin requesting reimbursement upon submission of a substantially approvable application.
